

# VRIS UPDATE

**DISCOVER THE JOB THAT WORKS FOR YOU BOOKLET**  
**8/30/2007**  
**Number 108**

## SUMMARY OF UPDATES

An error has been identified in the Discover the Job that Works for You booklet, Step 5, pages 45 and 46. These are the IPE Community Services and Supports. The checkboxes for VR, Individual, and Other are in the *Where Will I Get Them?* column. The checkboxes should have been placed in the *Who Will Pay For Them?* Column.

On the IPE Community Services and Supports stand-alone copies the checkboxes appear in the correct column. The IPE stand-alone copies were previously sent to your office. See screen shots for the discrepancies between the booklet and stand-alone versions.

We will continue to use the IPE in the booklet. The only time staff will not use the IPE in the booklet is when they are amending the plan or the client is exempt from completing the booklet.

When the client and staff complete pages 45 and 46 of the booklet they will need to check the boxes marked Other for *Where Will I Get Them?* The service will never be VR or Individual since these are community services and supports. Staff will need to record who is financially responsible in the *Who Will Pay for Them?* column.

### **TEAM COMMUNICATION**

Office Directors should review this information with their staff at their next staff meeting.
